

February 2019 Technology Classes

Thursday, 2/7, 10am-12pm: [Manage your digital pictures \(Windows\)](#)

Learn how to get your digital camera or phone's pictures onto the computer and sorted into folders. Find out about different options for printing your pictures. Bring your charged digital camera or phone, any USB cords to connect to the computer, and a flash drive or laptop computer if you would like to save pictures. (Flash drives will also be available for checkout or purchase.)

Tuesday, 2/12, 10am-12pm: [Craigslist](#)

Learn how to use Craigslist to buy or sell items, search for jobs, post community events, and more! We'll also discuss important safety tips.

Tuesday, 2/19, 10am-12pm: [Internet basics](#)

Want to learn how to get around on the Internet? We'll discuss different web browsers, how to search for and browse around different websites, and ways to protect your privacy online.

Tuesday, 2/26, 10am-12pm: [Facebook basics](#)

Learn how to find and chat with friends and share pictures. Don't have an account yet? Come 15 minutes early and we'll help you get started. (An email address is required.)

Thursday, 2/28, 10am-12pm: [Facebook security and settings](#)

Learn how to manage your account and privacy settings.

**Seating is limited. Call the Reference Desk at
789-7122 to sign up for classes.**
