

PY18 WIOA Youth RFP Questions and Answers

1. Who sits on the review committee?

The Technical Review Committee will consist of WDB members who have subject matter expertise in elements of the solicitation and/or have participated in the development of the RFP.

2. Please confirm that Median Earnings is still a program outcome.

Median Earnings is a component of State Performance Measures that will be tracked.

3. If there is a discrepancy between the narrative and attachment list, does the narrative take precedence?

The narrative correctly lists the order of attachments and takes precedence over the list of attachments found outside of the narrative.

4. Please clarify that we need to submit one original and four exact copies.

Submission requirements are one original, four copies, and one electronic copy.

5. Can you indicate when the currently "to-be-determined" performance measures will be defined?

No. Contractors will receive guidance on the measures as soon as received by the WDB.
