

**PY17 RFP for WIOA Adult and Dislocated Worker Services
MODIFICATION 2**

Budget estimates are incorrectly identified on the cover page, and were inadvertently omitted from the Estimated Allocations description. The estimated allocations are as follows:

Adult: \$300,000

Dislocated Worker: \$300,000

Please submit budgets based on these estimations, with the understanding that the actual amounts available for contracting may vary based on actual allocations to the WDB.

Also, PLEASE NOTE: Space rental for WIOA providers in each of the two job centers is paid directly by the WDB, so DO NOT include rent for WIOA service space in the budget.
