

**LA CROSSE
PUBLIC LIBRARY**

January 2018 Computer Classes

Tuesday, 1/9, 10am-11am: [Library streaming and downloading services](#)

Find out about all of the movies, music, books, and audiobooks you can download for free through the library! Bring your charged smart phone or tablet if you'd like to download the apps and set up an account during class. Note: the music and movie apps are only available to La Crosse city residents.

Thursday, 1/11, 10am-12pm: [Windows 10 for beginners](#)

Learn how to navigate Windows 10, including the updated Start menu, Action Center, and more. Bring your own laptop with Windows 10 installed.

Tuesday, 1/16, 10am-12pm: [iPhones for beginners, part 1](#)

Learn the basic parts of your iPhone, how to connect to wifi, make calls, send texts, and shop for apps.

Thursday, 1/18, 10am-12pm: [iPhones for beginners, part 2](#)

Pick up tips and tricks on using the control center, keyboard, Safari, your camera, and more.

Tuesday, 1/23, 10am-12pm: [Android phones for beginners, part 1](#)

Bring your charged Android phone and learn the basics about how to use it. We'll talk about how to add and remove apps, adjust general settings, and more.

Thursday, 1/25, 10am-12pm: [Android phones for beginners, part 2](#)

Pick up tips and tricks to manage your notifications, adjust privacy settings, and use your camera. We'll also address any questions you might have.

**Seating is limited. Call the Reference Desk at
789-7122 to sign up for classes.**
